

OCMC Parking Information

Parking on Ohio University's campus can be tricky for students, faculty, and visitors. The following document seeks to aid in your parking adventures by providing addresses for the events and some advice for where to park. This document is also on the website where you can use the links to get straight into a Google Map to find directions. Before going through the various events for the weekend, we wanted to provide some basic parking rules set out by the city.

Rules for [Athens City Parking Garage](#):

- The first floor is metered parking for a maximum of two hours
- All of the other floors allow parking up to 10 hours at 75 cents an hour
